

Assignment-01

ID: 181472565

Name: Sabrina Sumona

```
#include<stdio.h>
```

```
int addNumbers(int n, int m)
```

```
{  
    int add = 0;  
    add = m + n;  
    return add;  
}
```

```
int main()
```

```
{  
    int a, b, sum=0;
```

```
    printf("Please enter two integer numbers: ");  
    scanf("%d", &a);  
    scanf("%d", &b);
```

```
    sum = addNumbers(a, b);  
    printf("So, the sum = %d", sum);
```

```
    return 0;  
}
```
